

Water Test

All tested components demonstrated vibration levels within acceptable US regulatory limits for water test.

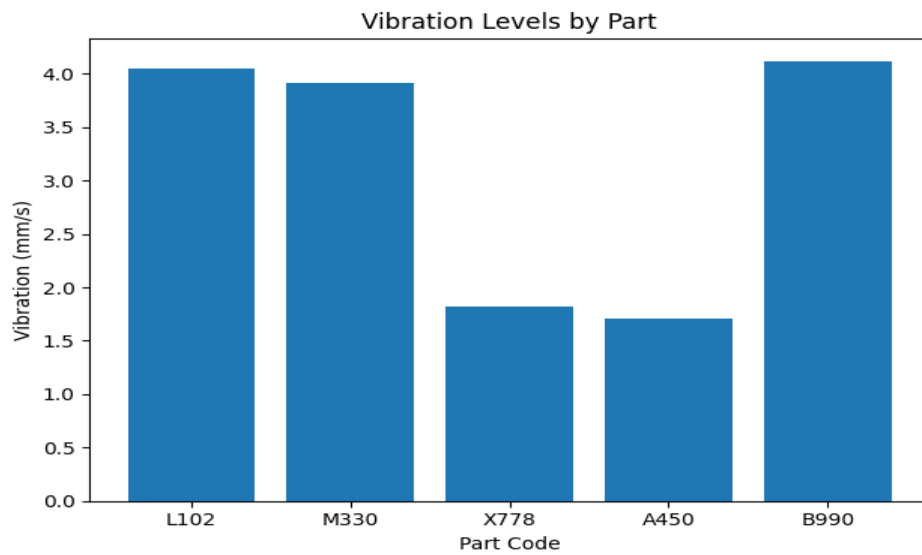

Part Code	Vibration (mm/s)
L102	2.23
M330	3.77
X778	2.57
A450	2.37
B990	2.99

Sand Test

All tested components demonstrated vibration levels within acceptable US regulatory limits for sand test.

Part Code	Vibration (mm/s)
L102	4.05
M330	3.91
X778	1.82
A450	1.71
B990	4.12

Mud Test

All tested components demonstrated vibration levels within acceptable US regulatory limits for mud test.

Part Code	Vibration (mm/s)
L102	2.23
M330	1.57
X778	4.8
A450	1.63
B990	3.38
